A MESSAGE FROM YOUR PRESIDENT

Dear GA IESNA Members,

It's springtime in Atlanta and the pollen has already started. This also means that our IESNA year is quickly coming to an end. We have two more meetings coming up and we hope everyone will take time to attend them with us.

Wednesday, April 20th our IES meeting will be reviewing the IIDA submissions for the local Georgia chapter. There are 5 submissions and the meeting will be showing slides and discussing the designer's projects. This meeting will be held from noon to 1:00 pm at Addison-Parrish offices and will be followed from 1:00 pm to 2:30 pm by a Light and Health webcast/teleconference presentation from the Lighting Research Center. Please RSVP for the IES meeting and anyone wishing to take part in the LRC presentation should RSVP as soon as possible as there are only 10 certificates available for this event.

Our end of the year social will be held on June 9th. The IES is hosting a first annual golf tournament at the Heritage golf course. Mark this date on your calendars and be looking for further information coming soon.

Please try to come to these events and bring a friend or client.

Sincerely,

Marcia L. Fowler, LC
GA IESNA Section President
