■ IES NEWS ■

NEMA just revised standards on double-ended metal halide lamps. The standard includes lamps whose arc tubes are made of quartz or ceramic materials. Luminous flux and lamp color are not part of this standard. Visit for more information: <http://www.facilitiesnet.com/news/article.asp?id=10129>

DOE Releases Guidance On Cutting Energy Use By 50 Percent
The two reports provide recommendations on how to achieve 50 percent energy savings over the American Society of Heating, Refrigerating, and Air-Conditioning Engineers (ASHRAE) Standard 90.1-2004 in grocery stores and medium-sized retail buildings <http://www.facilitiesnet.com/news/article.asp?id=10113>

IES Round Table Series starts in 2009. Please contact us if you would like to speak at these events.

The IIDA awards are being presented at the IES Conference this week. Congratulations to all of our Georgia IES recipients! Remember to start thinking about submitting your work for the 2009 IIDA awards!

Please Note: IES Conference takes place of November local IES meeting
